Q; Have you ever been to Ireland ? (Emanuele)

A: No, I haven't. It's my first experience in an English country. I'm very excited and happy to visit Dublin.

Q: Why are you going to Dublin? (Alessandro)

A: I'm going to Dublin to improve my English and to obtain new methods to teach my subject for the CLIL project.

Q: Why are you studying English abroad? (Riccardo)

A: Because it's the best way to learn English and the right pronunciation and I have the opportunity to speak to native people.

Q: Can you speak English fluently? (Leonardo)

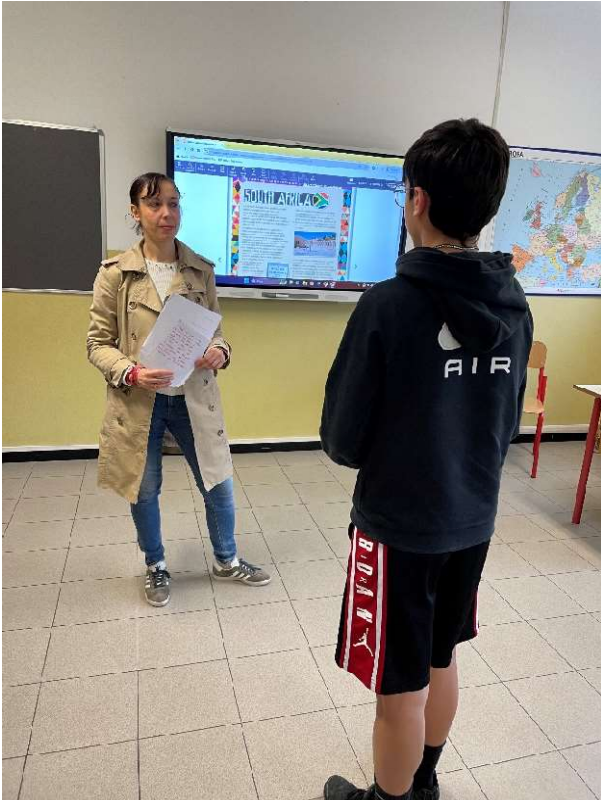

A: No, I can't. It's basic, but I like watching movies in English original language. I studied English in middle and high school but I have never practiced it again.

Q: What about going to a typical pub for a Guinness? (Fabrizio)

A: Yes, I will go to a pub, but I like the white beer not the Guinness.

Q: Do you know that if you don't like beer you can go to a pub to play darts or simply listen to music?

A: Yes, I do. I like this traditional folk and Irish music, but I don't like playing darts.

**Q: Have you ever been to Ireland? (Matteo)**

**A: Yes I have. When I was 16 years old I have been to Ireland to study English. It was a hard experience for me because two days before my departure I broke my ankle and I had to use the crutches.**

Q: How is your English level? (Edoardo)

A: It's very low because I studied it in the high school, but I soon forgot it.

After I spent three years in the USA and there I studied English again. Now I can understand everything but for me it is difficult to speak it.
